3. Training & Placement

The centralized Training & Placement Office (TPO) located at the S. K. Campus establishes the vital link between students and prospective employers to facilitate training and placement of students as they begin their career after graduation. We work relentlessly to ensure job placements for our students and provide them with top career opportunities. Various renowned organizations like, WIPRO, TCS, InfoSys, Ellitecore, eClinicalworks, and Acute Informatics only to name a few, have successfully recruited our students over the years. The TPO arranges campus Interviews and helps students develop leadership, interviewing, and communication skills and also prepares them for aptitude tests. We also organize industrial visits for students, training seminars, conferences and expert lectures to prepare them for opportunities that await them. Our high-quality education and efforts of the TPO office help our students dream big dreams and stay committed to realize them. With great pleasure and honor, we invite industries and corporate houses on our campus and our students to take advantage of all TPO activities.
